

## Customer's testimonial

### The Wattman Royal Oak Express

"The Wattman Mini Express has been one of the best additions we have made to Royal Oak Farm Orchard. We were looking for more income producing entertainment for our Entertainment Area at the orchard and found the Wattman "Royal Oak Express". It's one of the best decisions and investments we have made. Our Entertainment area income doubled over the previous year after we added the Mini Express! It was such a pleasure to work with the Wattman Company and we are amazed at the quality of workmanship and the low maintenance. Best of all, the families and children visiting the orchard love the "Royal Oak Express" and want to ride over and over again!"
